To
Sir Arcot Krishnasamy Row Esqr
Secretary Mazarai Department
Bangalore

Respected Sir,

I most respectfully beg to inform your honour that the circumstances caused for my sudden removal from the services of Dewan of your honour's department are causing great that I could not better explain in writing, especially as a Brahman who served for so long a period, who is destained to loose the pension &c and to suffer in my old age.

During the while I was in Collector's office at Calicut my services were much appreciated by late Dewan Bahadur Raghaviah who was then Deputy Collector of that place. Subsequently when he was Dewan under H. H. the Maharajah of Mysore he compelled me to resign the post and dragged me

to the services of H. H. Maharajah of Mysore and gave me the appointment in the Pensioner Paymaster office when I stayed till 1875. Subsequently I was transferred to a better place as a Manager in the palaces of Mathanavilasa thotti Tanjavaya Bahadar and Devaparthava Bahadar on Rs. 125/- till 1883. On the exportation of the said late Dewan I had to leave the service without claiming any pension. Having explained all these circumstances the late Dewan Mr. Krishnamoorthi Row Garu applied to appoint me as Acting Temporary Overseer on Rs. 20/- together with 60 measures of Rice and the conditions to live separately in this sacred shrine in my old age always praying the God for the welfares of H. H. the Maharajah of Mysore. Owing to my misfortunes my services are dispensed with

I humbly request that your honor will be good enough to consider about my poor circumstances who has worked with heart and soul for such a long period and entirely depending on this Samasthanam in this old age, and request to do me the favour at least to continue to give me the 60 measures of Rice and its condiments till my life time, which will be a greatest boon to my large family at this helpless condition.

I have this day sent through post copies of my testimonials for your perusal and sanction the request.

For which act of Kindness and charity I shall ever pray for the long life and prosperity of H. H. Maharajah of Mysore and his family -

I beg to remain
Sir
Your most obedient
servant.

Rec'd from the Secretariat

My dear honoured & Respected Sir,

I most humbly and respectfully beg to approach your honour with my humble appeal most earnestly praying that your honour may be graciously pleased to dispose of it personally —.

Ere laying my grievances before your honour I beg to take the liberty of submitting for your honour's sympathetic consideration a few facts about myself re parentage and antecedents.

VKB

3. My grandfather served the Madras Government for a very long time. He retired after having served for several years as Sheristadar to the Board of Revenue. My father served as Tahsildar in Salem and Coimbatore Districts and as Head Sheristadar in the Malabar District. Subsequently he served the Cochin State as Dewan Peishkar, High Court Judge (Appellate Side) and for some time as Dewan also. He died while in harness in Cochin State.

4. I was, while still young, appointed as Magisterial Amin in Malabar and rose to the post of Taluq Sheristadar and Police Inspector. I served very diligently and faithfully and rendered entire satisfaction to my superiors, as my testimonials will show. The latter part of my service there happened to be under the immediate supervision of Rangacharlu Esqr. (the late Dewan of Mysore) who was then Deputy Collector in Malabar.

When in the year 1868, Rangacharlu Esqr. was appointed Controller of the Mysore Palace he persuaded me to resign my appointment at Malabar and took me along with him to Mysore promising to promote my prospects there. He first appointed me as Pension and Service Examining Clerk under his direct supervision in the Palace and after a time upon his recommendation Col: R Ranken bestowed on me the post of Pension Clerk. The distribution was about Rs 50,000 per measem. I discharged the responsible duties of my office very carefully and to the entire satisfaction of my superiors. My service under him was for about 7 years — from 1868 to 1875 — Draftsman and Rangacharlu's private secretary. I accompanied to the Palace with the consent of Col R Ranken as it pleased him to consider my competent for the Managership of Maharaja's Hotel and Devaparthasarathy Iyengar (who

Upon his

When

When he formed it at the Establishment was not working properly and matters were in confusion owing to some heart-burning and discontent among the Servants.

6. Shortly after, Mr Ranga Charlu was appointed Chief Secretary and the present Councillor Mr T. Ananda Razier succeeded him. I served under this gentleman also in that capacity and rendered them both satisfaction. Several people envied me and Contrived some plot to ruin me but they could not succeed.

7 Your honour will, I earnestly solicit, be pleased to Consider that I resigned my service under the British Govt and followed Ranga Charlu Esqr with no other object than that of rising in the service firmly relying upon his promise to provide for my future.

8 It is my misfortune that although I served throughout very faithfully and honestly and to the satisfaction of my superiors my services were without any just cause, whatever, dispensed with after a long period of about 16 years and I have been ever since without employment.

9 I was appointed as Overseer here Chiefly to supervise the Establishment. I was first paid Dholi charges in addition to other Charges whenever I went up the hills. These charges (Dholi) were allowed to me on two occasions and in the 3rd occasion they were disallowed. But on appeal half the charge was ordered to be paid to me. I solicit that the other half also may kindly be ordered to be paid to me.

10 I was shortly after, given an order to the effect that the post I held was unnecessary. Thereupon I solicited that at least the Rice allowance may be continued to me and this request was also rejected — please vide the orders which I beg to enclose for favour of perusal and this is the subject of my present appeal to your honour.

11 I have a strong belief that if my prayer for continuance of Rice allowance to me had only been placed before your honour it would never have been so cruelly unjustly and mercilessly dispensed of —.

Here I am permitted to quote the instances of late Dalvai Sellappa. He was known out of employment and even convicted of certain offences. After a time he was set free and allowed Rice allowance all his life-time, instances in which even under worse circumstances convicts

over

were treated with similar indulgence are not wanting. While such has been the case of these people, that mine, the case of an old and faithful servant who had throughout his career discharged his duties without a flaw and to the entire satisfaction of his superiors even sacrificing his pensionable service under the British Government is a matter which I venture to take the liberty to press upon your honour's gracious consideration in the disposal of my humble appeal.

13. I hold testimonials from several of my superiors. These were submitted along with my petition to the Secretary of the Muzrai Department on 4th January '07. I beg that these may kindly be called for and perused.

14 In conclusion I most earnestly pray that your honour may be graciously pleased to treat my poor case with mercy in consideration of my long unblemished service under the Mysore State at the sacrifice of my prospects in the British Service, and grant my prayer.

15 As I am now in my old age I beg to submit that it is my earnest wish to spend the remainder of my days in this sacred place always praying the Almighty for the long life and prosperity of His Highness the Maharajah and of those assisting him in the glorious administration of the State.

16 Although your honour has known me well, yet for easily remembering me I submit herewith copy of a recommendatory note given in my favour by the late Mr. Ba Rau, Chartie to Mr. Soubraiah, the then Dewan Peishkar of ~~Mysore~~ Cochin and also your note itself to Engineer Raghava Naidu in 1900.

17 I ardently pray that in consideration of the above circumstances your honour may have the mercy to dispose of this my humble appeal favourably and at your honour's earliest convenience.

For which act of kindness and charity I shall ever pray.

I beg to remain,
Most honoured & respected Sir,
Your most humble servant
